Dearest Lil' Jeanie B —

Oh honey — what to say? You know  
how stupid I am about writing nice  
sweet lil' sentimental things. But  
anyhow — you know I love ya.  
We've been such good friends for  
such a long time — and now I'm  
going away, and sometimes I  
kinda hate to. But — even though  
I won't be here — I shan't forsake  
you, little one. We will still go out  
and gather flowers and —  
all that stuff.

But really and truly, Jeanie  
I'm gonna miss you — and I'll  
always remember you. We used  
to have such fun — when you  
were going with Skip or Bill, and  
I was going with Carl — 'member?  
But — things have changed, I  
guess. Ain't it! But — at any rate,  
all there is to say now is — that  
everything about you has always  
been just wonderful — I'm so glad  
we were in club together — and  
I'm sorry if I was mean to you.  
Well, honey, looks like the bottom of  
the page, doesn't it. — I love ya.  
Remember me when I'm gone.  
Lais

## Dedication

In these times much has been said about the peace that should prevail, yet certain totalitarian powers keep this peace from existing. We, as the youth and the future leaders of this great nation, must reject the many prejudices and hatreds, and work together for the peace of the world.

To the enduring peace and the understanding of our fellow man, we dedicate this 1951 CENTRALIAN.

Dear Jeannine  
 It has been  
 swell knowing  
 you. hope to  
 think next  
 year. You are a  
 real  
 go girl and I know  
 go far.  
 Loads of love  
 Alonna Garton.

Dear Jean:  
Well here's wishing the best of luck to  
a gal I've known for a long time & wish  
the best of everything.

Best Wishes  
"Bud"

## Foreword

From the song of the waters of the Aegean, to the summit of Mount Olympus, came the classical literature and wisdom of the Greeks that have acted as a guiding light to the ages that have followed. We, the authors of the 1951 Centralian, have pictured Central in all the forms and phases of Greek classical life because we feel that the learnings and accomplishments of Central students will also be a help and guidance to the generations of the future.

Dear Jeanne,  
your one of the sweetest gals  
I know. I don't think I've ever met  
a nicer & sweeter gal. With your  
looks, shape & personality you ought  
to go a long ways.

Love you

Joyce

W. W. CLEMENT  
Principal

You of the Class of '51 have had the unique privilege of providing responsible leadership to your high school for two years. You have been the first full class to pay the price of full twelve years for your diplomas. You have had the opportunity of standardizing student scholarship and student attitudes during the past year when Central has become once more a senior school but with an added year of maturity. You have done a sterling job.

Scholarship has been notably enhanced. All comparative test scores have found Central in the upper brackets among her sister schools. Twenty-four seniors have earned the coveted gold pin for continuous superior rating for their entire high school life. Thirty-five are graduating "with distinction," nineteen "with high distinction," and sixteen "with highest distinction."

The student council has lifted to a higher level student participation in school government and Central's participation in city-wide high school activities. Extracurricular activities have been maintained on a plane of good citizenship and good sportsmanship.

But all has not been serene. International tensions, together with the imminence of draft calls and the possibility of universal military training, have rendered planning for the future highly uncertain. However, we must have faith that sanity among the nations of the world will ultimately triumph and that even soon in our time world peace will prevail. Meanwhile I can but charge you, as did Aeneas of old:

*O socii, revocate animos, maestumque timorem  
Mittite: forsan et haec olim meminisse iuvabit.  
Courage, comrades. Dismiss desponding fears.  
Perhaps hereafter you will remember even these  
days with pleasure.*

From one crisis to another seems to be the lot of today's youth and particularly so for those who are finishing high school. The knowledge that military service is immediately ahead has made it difficult to keep the poise and confidence that should be a part of all youth. Cross-currents of talk and the lack of a definite enlistment program by our government have been confusing. Inflationary tendencies have made our physical world a little tougher. Stories of scandalous action in high places have made it difficult to believe in the things youth wants to believe in.

This bedlam of forces and counterforces makes it difficult for you young people to think clearly and act sanely. But to me, you members of Central's Class of '51 seem to have found yourselves after a brief period of confusion earlier in the year. I believe you are ready to face the world with all of its difficulties. You are looking at things in a real sense, stripping off the outer coat to see what is the core. You have the potential power to fashion your own lives and live in adult life, as you have in high school, on a plane that gradually goes higher.

# Retirements

MR. H. H. OLDENDICK

H. H. Oldendick, Central's loved chemistry instructor, is retiring this June after thirty-five years of service to our school. Except for four years as an auditor for Southwestern Bell Telephone, Mr. Oldendick has devoted his life to teaching. His chemical formula signature,  $H_2O$ , by which he was known to Central students, won him national attention when it appeared in one of Ripley's famous Believe It or Not cartoons.

Though born in Cincinnati, Ohio, Mr. Oldendick came with his family as a child to Kansas and later entered the State Teachers College at Pittsburg, where he received his B.A. degree. He obtained his M.S. degree from the University of Kansas and he continued his graduate studies at Missouri, and later again at Kansas.

Mr. Oldendick will be remembered by his students, not only as an excellent instructor in chemistry, physics and bookkeeping, but also as a friend and fellow worker. His personality, his eagerness for students to learn, and his fund of knowledge have made Mr. Oldendick a teacher to be greatly honored, and one whom Central High School is going to find hard to lose.

MISS EMMA STEGNER

Quietly and with no previous announcement to her pupils, Miss Emma Stegner, English instructor, retired last June from Central's faculty, of which she had been a member since 1946. Although her association with the senior building was brief, she had strongly entrenched herself in the affection of both students and fellow teachers.

Miss Emma Stegner was born in Boonville, Missouri. She went to the Teachers' College at Springfield, Missouri, for her bachelor's degree, after which she attended Missouri University, Chicago University, and our own Kansas City University for graduate work. After serving as principal of a Boonville elementary school for five years, she went on to supervise teachers' training at the high school. When she came to Kansas City, Miss Stegner taught at Westport Junior until that school was disbanded. Transferring to Central Junior, she continued the excellent training she always gave her pupils in grammar and the mechanics of writing, in addition to supervising the publication of "The Searchlight."

After a year of rest, Miss Stegner is planning now to do some social service work with young people and continue her hobby of raising flowers.

## In Memoriam

### MISS VIRGINIA ROBERTSON

On May 15, 1951, our beloved Virginia Robertson, who gave her life to the enrichment of the lives of Central boys and girls, passed away at St. Luke's Hospital.

Miss Robertson's rich, cultural background gave her an unusual appreciation of the beautiful which enabled her as a dramatic teacher to inspire her students to strive ever for perfection in their work. She set them a high standard in writing, acting, directing, and staging plays. Her patience with her students, her understanding of their individuality, and her ideals of achievement endeared her to them.

Miss Robertson for her gentle spirit, friendly smile, quiet charm, and consideration for others was beloved by her associates. Her life was an unfoldment of the finer things of the world and will continue to inspire those who knew and worked with her.

Miss Robertson was a leader in civic and cultural as well as in professional activities. Always she gave un-

sparingly of her money, her time, her energy, and her talent.

She was a great lady who walked in the pathway of the Great Teacher.

#### The Last Journey

With courage seek the kingdom of the dead;  
The path before you lies,  
It is not hard to find nor tread;  
No rocks to climb, no lanes to thread;  
But broad, and straight, and even still,  
And ever gently slopes downhill;  
You cannot miss it, though you shut your eyes.

Dear Jeannine:

I really can't think of much to say because there isn't a good way to express myself. I think I am pretty good at descriptions and I have one just for you:

Peaches grow in Florida they grow in California too but it takes a state like Missouri to grow a peach like you:

Well this year has gone fast and sometimes I think too fast, and I think a girl like you with such a personality and looks will get you far in the years to come. Sooo -- with luck and love:

Dear Jeannine -

Golly how we've really had wonderful times in Eng. Lit. this year. I'm really sorry I didn't get to know you better. I don't know what we would have done if we hadn't sat next to each other. I'll always remember this class.

Next year I'm really gonna look for you to go to the top of this old school 'cuz you have everything - looks, personality - just everything! - I'll be watching and I know you will!

It seems almost incredible the way the time has flown - but it has and you're one of the wonderful memories I'll have -

Lots of luck always -

Remember me - Love -

Dear Joanne,  
 So me you are  
 the sweetest and most  
 wonderful sister a girl  
 could have - your ideals  
 are to be admired by  
 everyone - I'm sure you're the best!!  
 will win cause you've happened - I felt  
 no one will ever know how that's past and  
 about it cause a lot happened - some  
 forgot it bad - but I want you to  
 we all try to remember only the good - your  
 faith in me helped so much - I'm not good  
 at words or writing - but I want you to  
 know your friendship has been very precious -  
 you are a beautiful person - I'm sure you deserve  
 sparkling the best - Remember me - I love you -  
 Have success always,

The 1950-51 school year has been a very successful one for the Central Hi-Y Club. Starting the year with emphasis on "Youth and Government," a successful delegation attended pre-legislative sessions at Warrensburg and elected John Sabin, president of the Central Hi-Y Club, as Speaker of the House of Representatives for the Second Annual Hi-Y Model Legislature. Jon Sams was also elected Floor Leader of the House. The purpose of this program is to provide a laboratory experience in government and thereby interest young men in the Christian applications involved in government.

The Hi-Y Club has carried on many projects this year to implement its purpose to "create, maintain, and extend throughout school and community, high standards of Christian character." "Youth and Government" was a major emphasis in the fall. The pre-Easter services, which have been held success-

fully for the past six years, were another of the important programs of the club's service to the school.

In the realm of athletics, the Central Hi-Y Club won the Kansas City Hi-Y Basketball Championship and placed fourth in the State Hi-Y Tournament in Springfield. The club was led this year by the following officers:

As in literature, music and art, the Greeks also excelled in physical development. Their chief purpose when competing in athletic contests was not winning, but fighting well. A strong mind and a strong body meant more than the winner's prize. It is this spirit which, we feel, exists in high school athletics today and which has been dominant in the hearts of all Central contestants.

The Central Eagles opened up the football season with a warm glow, as they scored a long-awaited, hard-earned victory over the Wyandotte Bulldogs of Kansas City, Kansas.

Up until the second half it was a 6-6 ball game, but that was changed when Bob Coomes raced 60 yards to score for the Eagles. The extra point, Central's margin of victory, was made, to make the score 13-6. Wyandotte roared back to score once more, but to no avail, as Central's Gerald Barrett drove through to block the kick from placement.

The following week the Eagles entered Blues Stadium and Interscholastic League play to take a sound 26-7 drubbing from the Northeast Vikings. Central scored the first touchdown of the game, when Coomes skirted around left end, 13 yards, to tally. This gave the Eagles a momentary lead, but it did not last. The Vikings scored twice in the first half and twice more in the second, to hand Central its first defeat.

Westport, too, proved mighty, as they downed the Eagles, 12-0. Scoring only twice in the first

half, the Tigers' fine defense was what stopped the Eagles cold. Central had two good chances to score, but they could not penetrate Westport's staunch forward wall.

Eventual co-champions with Southeast, the Southwest Indians handed Central its third defeat to the tune of 24-6. Without Coomes, the Eagles' cause would have been hopeless indeed, as he broke loose for runs of 62 yards, 40 yards, and finally a 75-yard touchdown jaunt. Fumbles by Central and heads-up play by Southwest accounted for three of the four Indian markers.

Hungry and ready for a win, the Central eleven dumped the East High Bears, 22-0, the following week. The Eagles scored just once in the first half on a 46-yard run by Coomes. Then, after a scoreless third quarter, the Eagles broke loose, gaining a safety, another touchdown by Coomes, and a 45-yard pass interception play by Dink Fry for the final tally. Rex Valentine kicked the two extra points.

Still victory-wanting, the Eagles stomped on Manual for 25 points to the Redbirds' 6. Arnie Brooks scored first for Central, followed by a touchdown pass from Larry Ramsey to Phil Short, a plunge over the goal line by Coomes, and another pass from Ramsey to Rex Valentine.

In severe cold weather, the Paseo Pirates dropped Central like a hot potato, 33-0. Scoring almost at will, the Pirates charged over three times on the ground and once in the

air and recovered a Central fumble in the Eagle end zone.

The final game of the 1950 grid contests found Central at the short end of a 26-2 score. Co-champion Southeast held the Eagles to just a safety. The Eagles tried hard but were helpless as Southeast, with their star, Corky Taylor, ran wild for four touchdowns.

All-Star selections found only two Eagles who received ratings. Phil Short was voted second team All-Star end, and Bob Coomes was awarded honorable mention All-Star back.

Except for a few factors which caused low team spirit, the Eagles might have had a more successful season. As it was, they finished in sixth place in the Interscholastic League with a two-victory, five-defeat count.

# Tennis

On October 2 and 3, the Central Tennis Team invaded the Rockhill Club courts to emerge the victors of three matches in the Interscholastic Tennis Tournament.

In the singles, Don Brockman defeated in the first round Ronnie Minda of Southwest, 5-7, 6-3, 6-4. Don was eliminated in the next round by Jack Vochatzer of Northeast, who went on to share the singles title with his brother, Frank. Johnny Robinson of Central won his match from Bill Brody of Paseo, 8-6, 6-0.

Contesting in the doubles bracket were Dick Hanna and Jeff Hamilton, who defeated Gene Rayot and Kirk Booker of Southwest, 6-4, 2-6, 7-5, but were eliminated by Duncan Moore and Alfred McNally of Northeast, 6-2, 6-3. Bob Ellis and Randall Richardson lost, 6-1, 6-1, to Frank Mitchell and Don Kelly of Southeast.

This year's tournament enabled Don Brockman, Johnny Robinson, Jeff Hamilton and Dick Hanna to win the Central tennis letter, as each boy won at least one match.

# Basketball

With a host of returning lettermen, the Central Blue Eagles entered the 1950-'51 basketball season confident of a good year. Their confidence paid off, for the end of the season found them with an over-all good record of 12 wins and 5 losses, including a tie with Paseo for fourth place in the Interscholastic league with a 4 won, 3 lost standing.

The Central Eagles made a clean sweep of their pre-season encounters, with victories over Rockhurst, De LaSalle, Glennon, Hogan, Lillis, and Olathe. Dale Wheat was the big gun of the Eagles' scoring attack in these early games and was given ample help by Bob Coomes, Bob Parker, and Bob Reynolds.

Central invaded Municipal Auditorium after the Christmas holidays to match strength with the eventual league champion, Westport. This initial league encounter of the Eagles proved fateful as the Tigers won out on free throws, 40-34, to break the longest victory string Central had had in basketball since 1945.

Southwest, the Eagles' second league foe, went down under the hard-driving Central team to the tune of 36-31. Led by

Herb McCoy with 12 points, Central had to overcome the Indians' 18-15 half-time lead to emerge the victor.

Next followed a disastrous week end for Central. The Paseo Pirates downed the ragged-playing Eagles, 39-36, and East thoroughly trounced the quintet, 43-20. A slow start and general "off" play by the Eagles were responsible for the loss to Paseo, while East just proved to be a better team.

Another double-header week end saw the Eagles play some of their best ball. The Central five took the floor to hand Southeast an Interscholastic League record-breaking 72-47 defeat. The Eagles were really "hot," as they rolled up 24 points against the Knights in the first quarter. Again Wheat led the Eagles with 21 points.

Central went up against the high-flying, favored Northeast Vikings to hand the Vikes their first loss of the season. Following the first quarter, the Eagles went in front and were never headed. The half score was 26-12 and the final was 48-32.

1st Row—B. Parker, L. Arney, Mr. Guemple, J. Schowengerdt.

In a non-league encounter, the Eagles were host to Pem-Day on Tuesday, but the Red Raiders were no match for the hot-shooting Eagle five. Central pulled up 31-20 at the half and 58-36 at the final bell.

Last in league play for the Eagles was Manual. The Redbirds were void of wins in the league, and Central kept them that way by downing them, 54-38. In a ragged ball game, the Eagles slowly lengthened their lead and hit their peak in the fourth quarter when they poured in 16 points.

The scheduled season over, the Central squad entered the regional tournament at Rockhurst, hoping for a trip to the state tournament at Columbia. Their hopes were brightened when the Eagles met Southeast in the first round and won, 45-36, repeating their earlier win.

All was lost, though, when Central bowed the next night to the tournament champion, Northeast. It just wasn't Central's night, for they played good ball but finally went down under a 51-44 score.

A consolation game the night following found the Eagles playing very good ball again, but to no avail. A determined Lillis squad wanted revenge for the earlier loss and got it by taking a 46-44 heartbreaker from the tournament-tired Eagles.

All-Star selections this year found Parker and Coomes receiving Honorable Mention All-Star in the Kansas City Star's poll, an honor well earned.

This year's squad will be remembered not only as one having a fine record, but also as one that never gave up.

## Central Eaglets

Under the capable hand of Coach Nathan Roitman, Central's second team, the Eaglets, completed the 1950-'51 season with the fine record of twelve wins and no losses. This record, plus their will to win, should insure Central a fine future basketball team.

## Second Team Basketball

# Track

Top Row—Eagle soars through air; The mighty Eagles; Short clears hurdles.  
Bottom Row—Reynolds, "Up and over"; "Passing the buck"; "Upsy-daisy"; "Umph."

In justifiable expectation of a bright season ahead, the Central track squad opened up their 1951 competition indoors at the annual Big Seven Indoor Meet held early in March. Led by Bob Puckett with 5 points, a first in the 60-yard low hurdles, the Eagles compiled 11 points to tie East for second place.

Another indoor meet found Central at Columbia, Missouri, competing in the Missouri State High School Indoor Track Meet. Bob Reynolds, the defending state high jump champion, came through at 5 feet 10 $\frac{3}{4}$  inches to tie for first. This tie, coupled with a third in the high jump, a second in the 880-yard, and a fifth in both the medley relay and 50-yard high hurdles, gave the Eagles enough points to rate fourth in the state.

Away from home and anxious for a triumph in their first outdoor dual meet, the thin-clads got a few bad breaks and went down under the Northeast Vikings, 55 $\frac{1}{2}$  to 49 $\frac{1}{2}$ . In spite of six firsts, Central could not overcome an early Viking lead, as Northeast eked out their slim victory.

Paseo came next and was defeated handily by our boys from Central. A sweep in the 440-yard dash and the low

hurdles, plus six other firsts, gave the Eagles a sturdy margin of victory, 63  $\frac{1}{3}$  to 41  $\frac{2}{3}$ .

Lawrence, Kansas, played hosts to Kansas City schools, among others, at the K. U. Relays, April 21. Our 880-yard relay team ran a very close second, topped by Southwest, in the only event in which we entered.

Central opened their field to Southeast in their initial home tilt and came through with a crushing 69  $\frac{1}{3}$  to 35  $\frac{2}{3}$  victory over the Knights. All-around strength of the Eagles proved to be the downfall of Southeast.

The first running of the Shawnee Mission Relays gave the Central tracksters a chance to show their might. Although team places were not awarded, Central showed up well with a tie for first place, five second places, and three thirds—an unofficial second place.

As a publisher's deadline necessitated the writing of this account before the track season was completely finished, a thorough coverage was not possible. It was necessary to omit a meet with East, the State Outdoor Meet, a meet with Southwest and the City Track Meet.

Whatever the outcome, Central always competed with the will to win or, if necessary, the spirit to lose graciously.

Another great year in the girls' Physical Education department has passed. Commencement Day brings to an end the high school sports career of another group of happy girl athletes who have enjoyed intramural games and Sportsdays.

Interscholastic Sportsdays were held in three major sports: hockey, basketball and softball. The hostess schools were Southeast, Westport and Central, respectively. Because Miss Hazel Purnell and Miss Gertrude Jones coached their students well, both in the fundamentals of the games and in sportsman-like conduct, the girl athletes from Central again brought credit to the school. Twenty-two of them earned school letters.

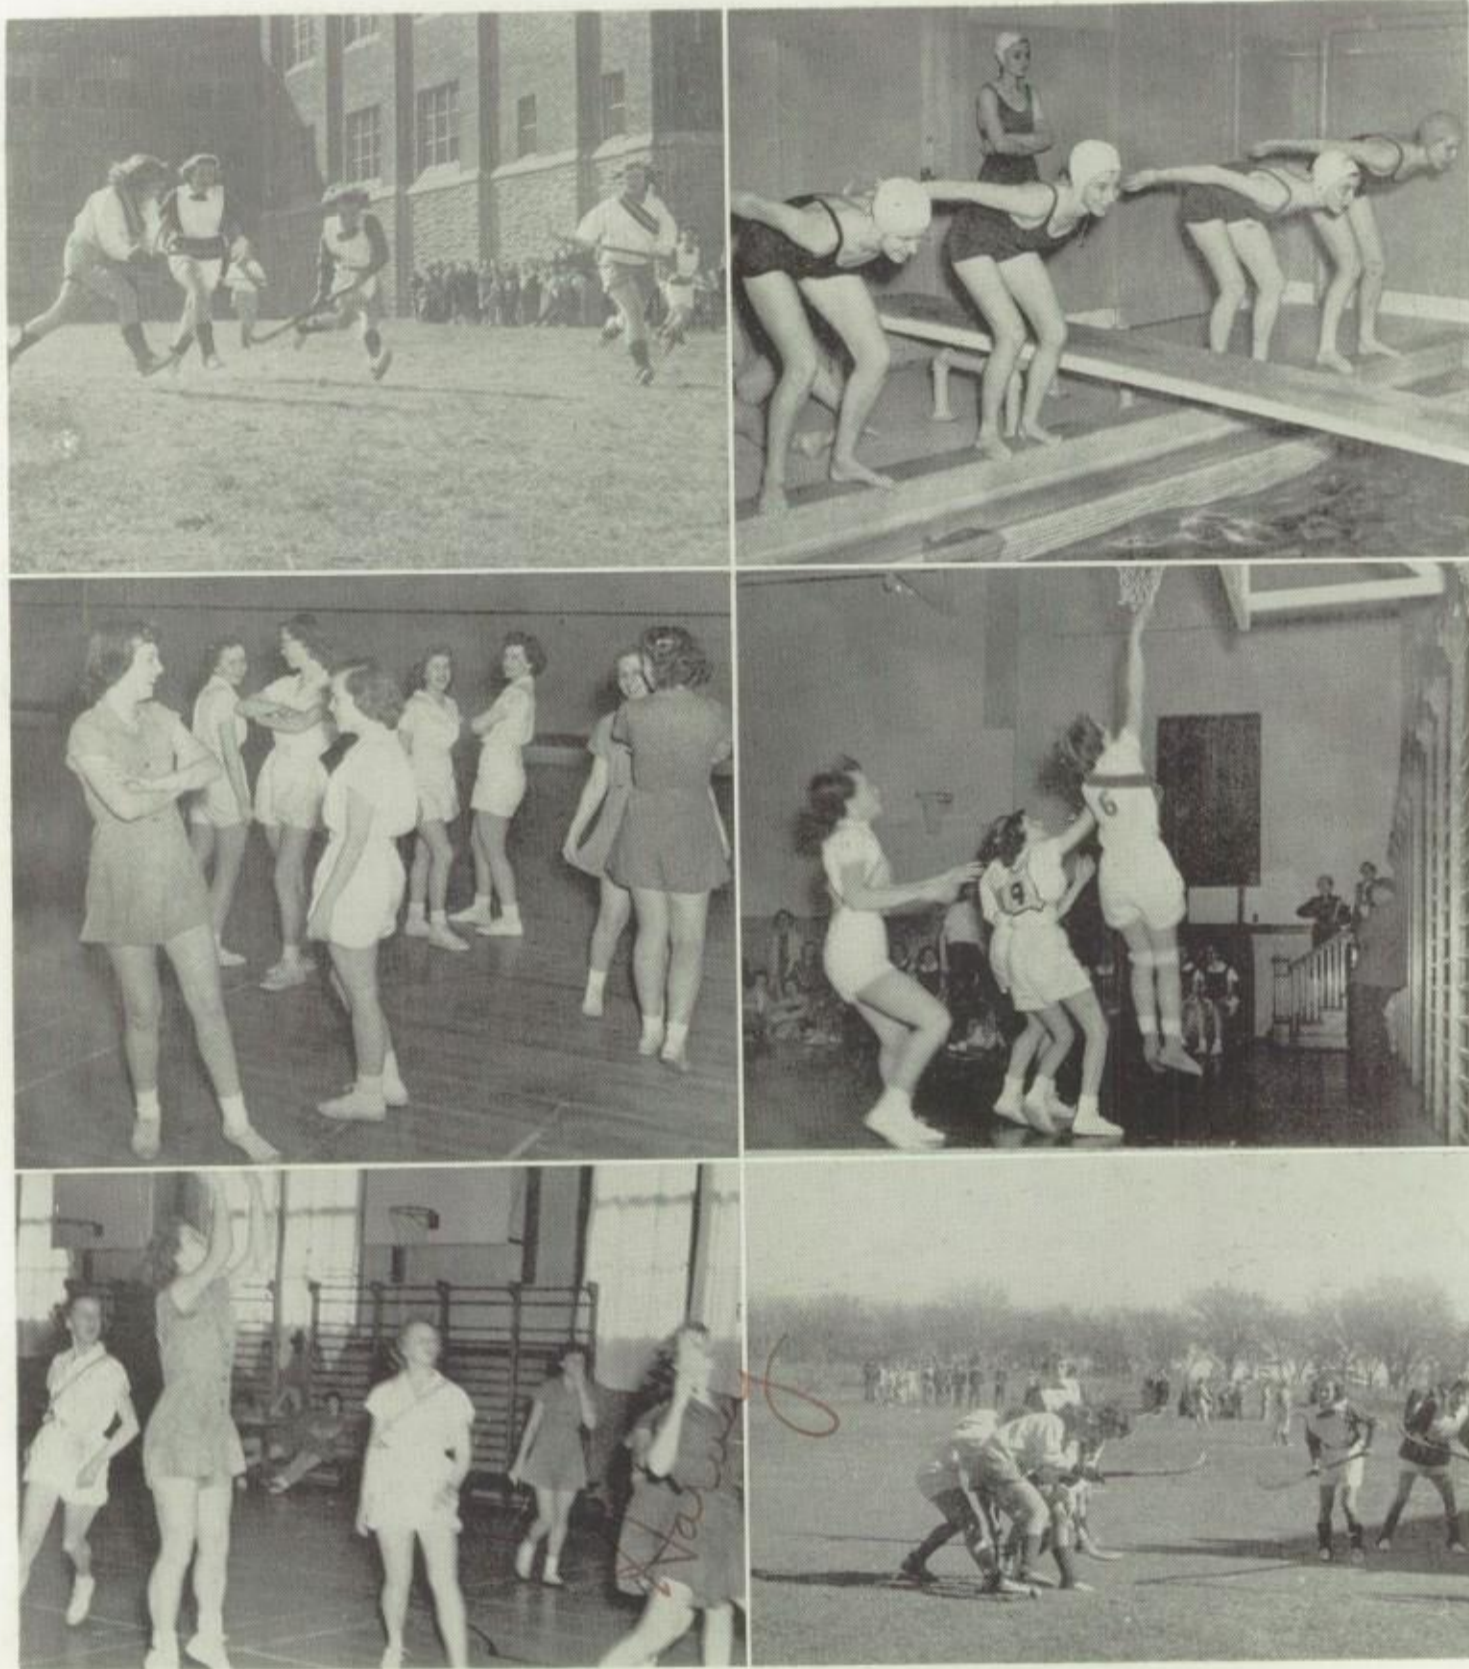

This coveted letter is awarded to the girl upon her completion of no less than three years of work and the accumulation of points for participation in ten team games, five individual sports, and in four special duties. The special credits include

participation in one Sportsday, service as manager, referee or umpire, and scorekeeper, linesman or timekeeper in intramural games.

This year a gold pin has replaced the stripe on the sleeve of a letter sweater as an "extra credit" award. This pin is awarded to the athlete upon her participation in three team sports and one individual sport in addition to the requirement for the "Big C." Because these gold pins are uniform in all the high schools, the wearer will be recognized by graduates of any Kansas City high school as having won the highest award in girls' athletics.

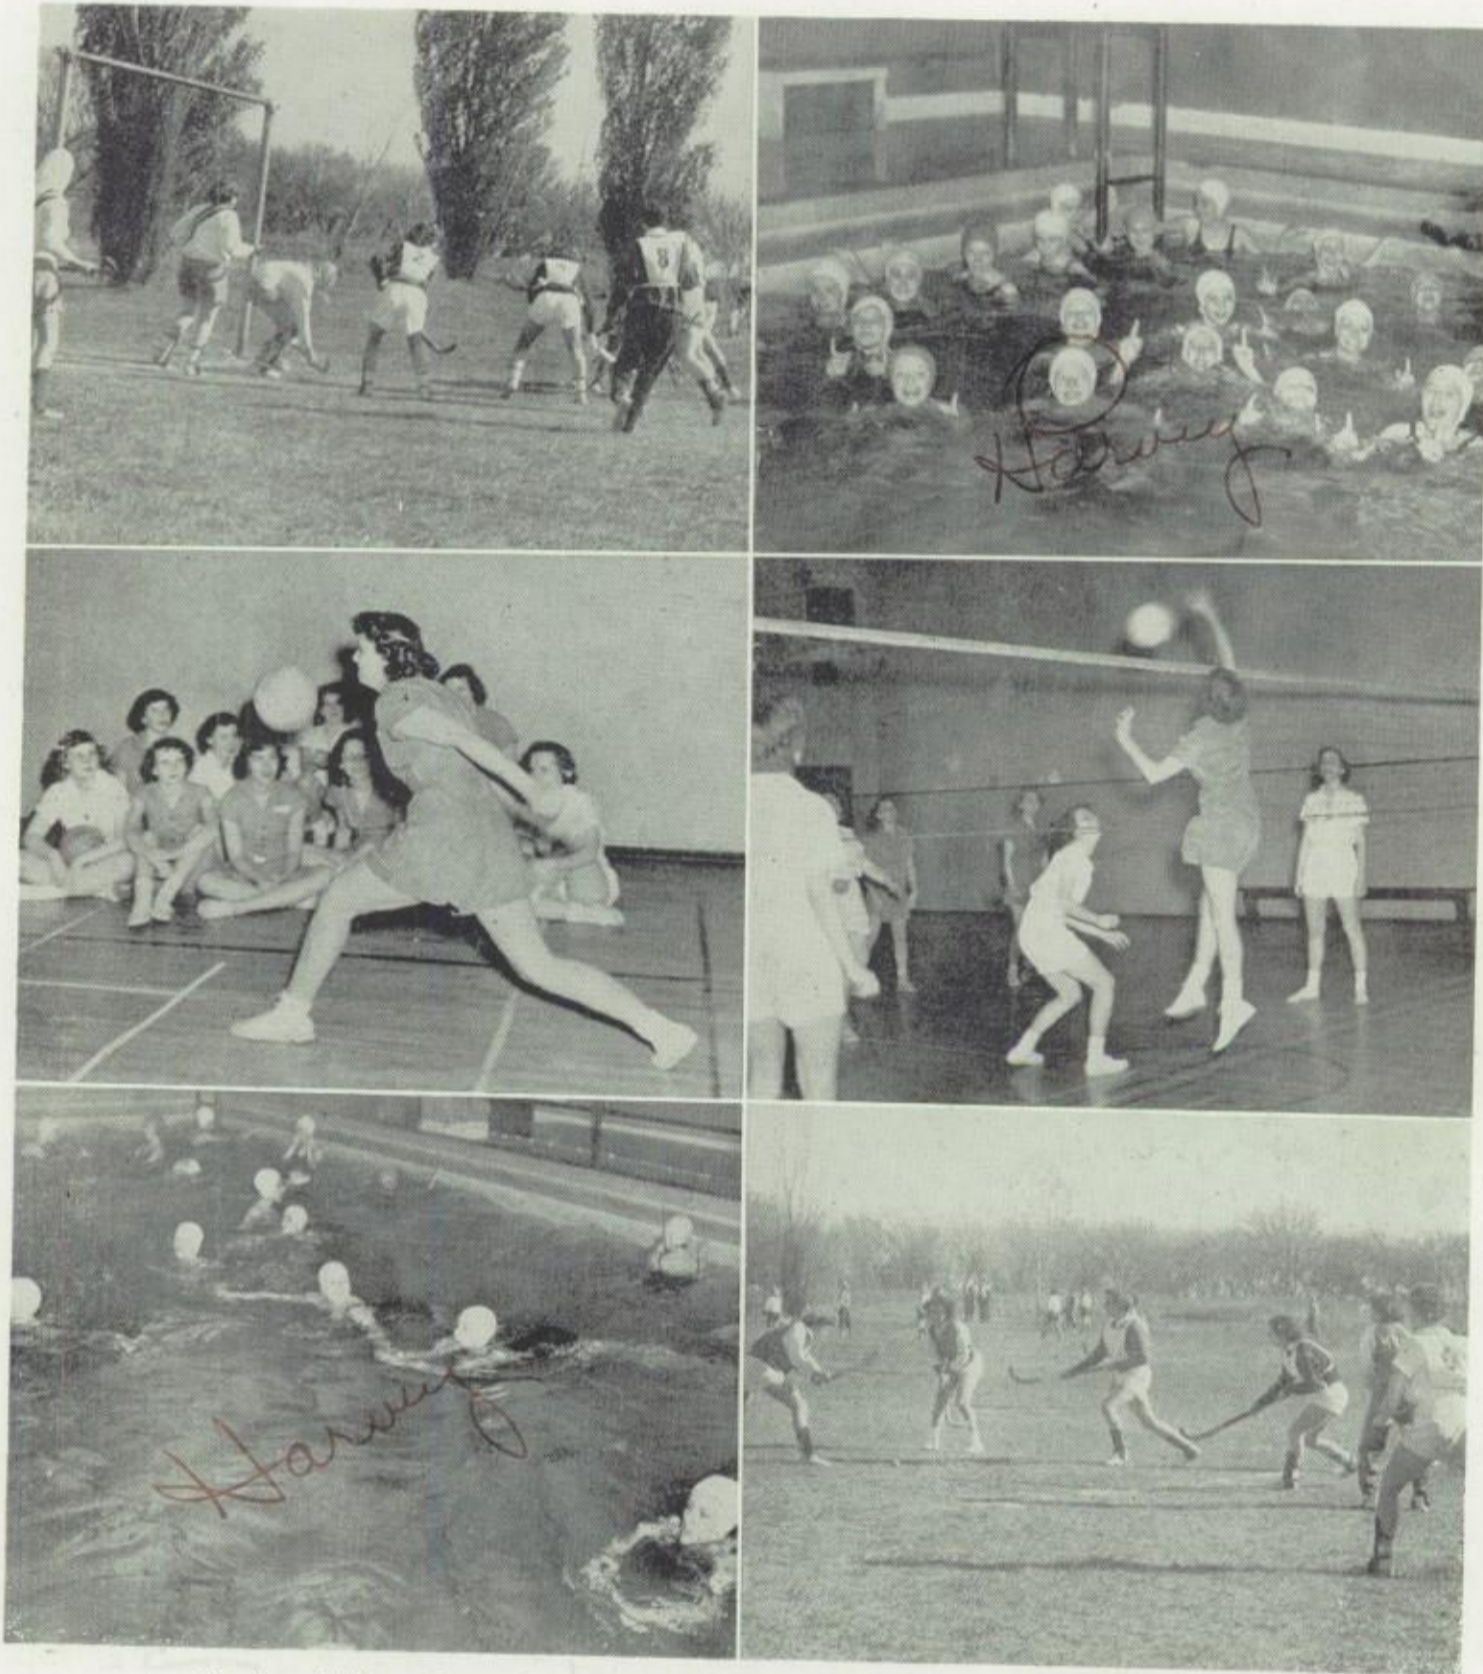

Since only one year in Physical Education is required, the fact that many girls take three years or even four years of it shows how interesting, stimulating and challenging the girls' Physical Education program is.

M/Sgt. George W. Quigley

M/Sgt. Sam E. Bottorff

Lt. Col. Marvin Friedman

Lt. Col. Herbert Horowitz

In the ancient civilization of the Greeks, young men were taught from childhood the ways and means of war and learned to apply their skill in the defense of their country. At Central, the Reserve Officers Training Corps offers a curriculum that is comparable to the scope of training given a Spartan boy. It helps to mold the character of boys in time of peace and contributes trained young men to support their country in time of national emergency.

The Central Battalion started the year with one of the largest enrollments of recent years. As 156 cadets from Central Junior and Central Senior donned their uniforms, it was announced that Central was rated an Honor School again this year due to its fine showing in last year's Federal Inspection.

The Junior R.O.T.C. program was set up this year as a four-year course. Due to this arrangement, there was an excess of officer material. The army instructors, M/Sgt. George W. Quigley, Jr., and M/Sgt. Sam E. Bottorff, decided to appoint the fourth year cadet officers to fill the higher positions and the third year cadet officers to serve as their assistants.

When Sgt. Bottorff and Sgt. Quigley announced the officers, Lt. Col. Marvin Friedman was appointed Battalion Commander for the second year, and Lt. Col. Herbert Horowitz again became Battalion Executive Officer. Serving as Assistant Battalion Commander was Capt. Mark Lessenger, and the Assistant Battalion Executive Officer was Lt. David Henson. The Battalion Staff consisted of Capt. David Brouse, Adjutant; Lt. Richard Davis, Intelligence Officer; Lt. Allen Lindsey, Plans & Training Officer, and Lt. Ramon Young, Supply Officer. The Company Commander of Company "A" was Maj. Solomon Turner. Company "B" was commanded by Maj. Robert Snyder, and Maj. John Fletcher led "C" Company. Assistant Company Commanders of "A," "B" and "C" Companies were Capt. Charles Brouse, Capt. Arthur Harmon and Capt. Lowell Northington, respectively. Executive officers of "B" and "C" Companies were Lt. Glenn Mills and Lt. David Sloan, respectively.

Leading the platoons of Company "A" were Lieutenants Tommy Lerner and Dale Knepper; of "B" Company, Lieutenants Billy Collins and Charles Goldman; of "C" Company were Lieutenants Lloyd Wessley and Phillip Rubin.

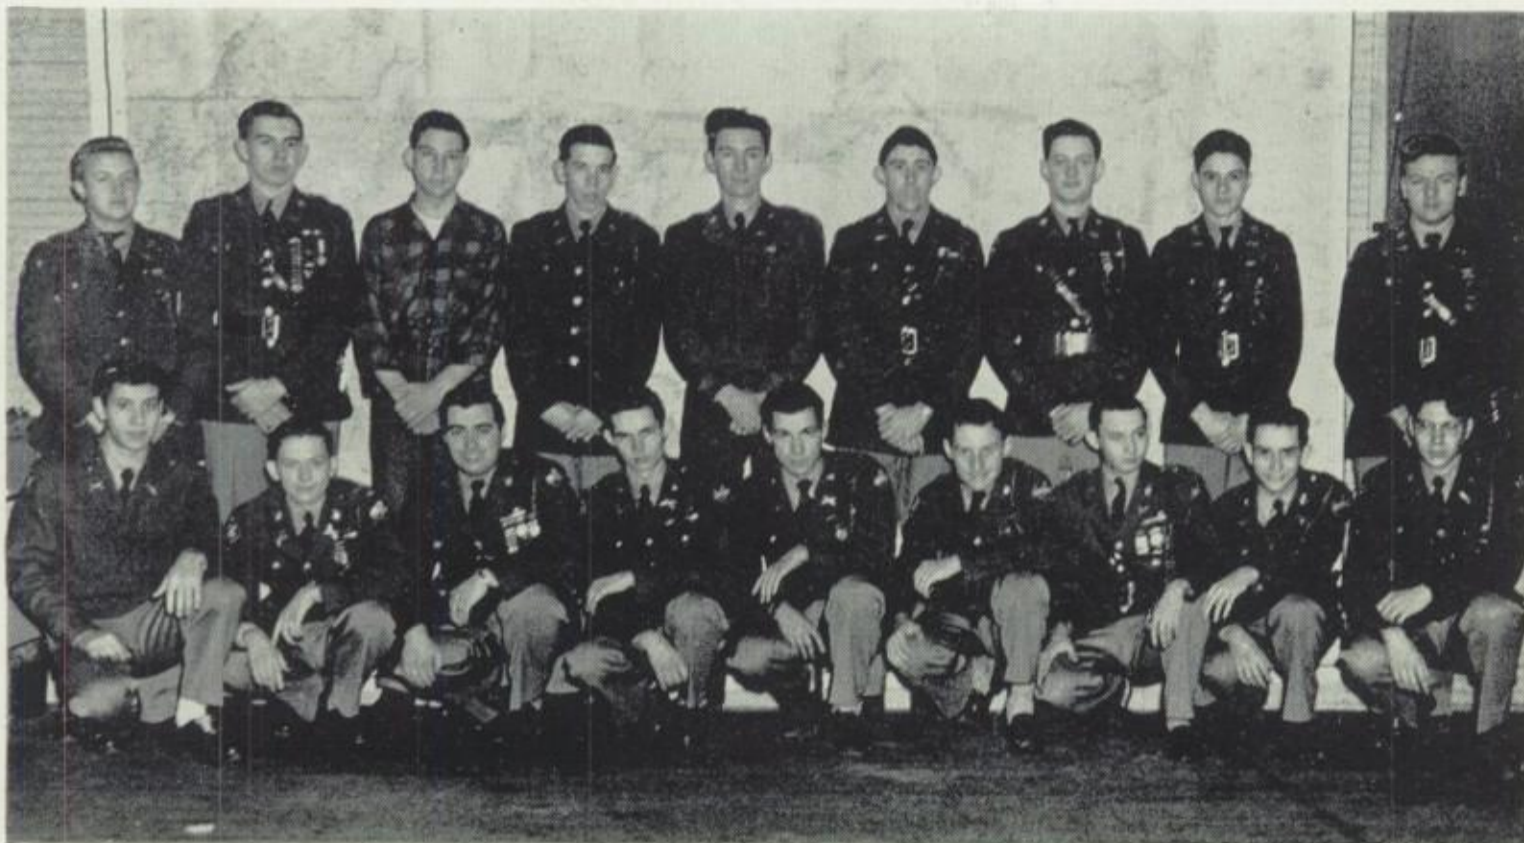

Herbert Horowitz took the examinations for Regimental Commander, while Gerald Alport competed with other second year cadets for the position of Regimental Sergeant Major. Cadet Lt. Col. Horowitz was appointed Intelligence Officer on the regimental staff.

The Rifle Team went through the season with a game but inexperienced marksman sextet. Although they won only one match in league competition, they gained experience that helped them in post-league matches. Rifle Team lettermen were Mark Lessenger (team captain), David Brouse, Charles Brouse, Dale Knepper, Bill Glover and Gerald Alport. Two members of the team, Charles Brouse and Mark Lessenger, are rated as Expert Riflemen by the N. R. A. David Brouse has gone on to qualify for the title of Distinguished Rifleman, the highest award given by this association. All of the team members will be back next year to make a strong bid for the championship.

At the second annual Regimental Ball held this year at the Municipal Auditorium, Central's queen and candidate for regimental queen was Miss Marcia Armstrong, who was escorted by Cadet Lt. Ramon Young. The dance, attended by six hundred cadets and their dates, was the most stupendous affair of the school year.

The twenty-sixth annual R.O.T.C. Circus, held more than a month later, was one of the best circuses. Central's act was a dramatization of the song, "This Is the Army, Mr. Jones." The cantata was highly humorous and one of the best performed acts of the Circus.

The last two events of the school year were the Federal Inspection and Field Day. After these, the cadets were "honorably discharged" for a much-deserved vacation.

# Senior Prophecy

As the classics have survived through the ages, so will the great deeds of Central's graduating class of 1951 live on for posterity. The time is but twenty years hence, 1971, yet Centralites have already put their impression on the world picture. Scanning the newspaper of June 1, 1971, we find 1951 Central graduates to be the headline-makers.

we? I have only one regret  
and that one is that I can't call  
you "my sister", even if I can't  
I still feel you are. You're really  
going to succeed in all you do be-  
cause you're such a wonderful girl.  
My ~~day~~ <sup>day</sup> ~~wouldn't it be com-~~  
plete without seeing you. I really  
haven't said a word that I wanted  
too, but I'm sure you know my  
feelings.

Love Always,

Dorothy  
A. L. S.

I really tried to tell you just  
how marvelous I think you are,  
you're really tops & I want our  
friendship to go on forever.
